

## **Get started with the Wireless Laptop Cart**

- 1) Plug in the Power cord for the laptop cart.
- 2) Plug in the Network cord into the Network jack on the wall.
- 3) Now you can take the Laptops out of the Wireless Cart.

## **Packing up the Wireless Laptop Cart**

- 1) Return the laptops to the cart and please plug in the power cords.
- 2) Please close the doors of the Wireless Cart.
- 3) Unplug the Power cord from the wall and reel it up under the wireless cart.
- 4) Remove the network cord from the wall.
- 5) Return the Cart to Science 215 N/ 215 S.
- 6) Please plug the power cord into the specified outlet in the storage room. If the green light is on at the back of the cart is charging.
- 7) Please make sure the switch on the back of the cart is in between letter A and B.
- 8) Please make sure the dial is set to 30 minutes.
- 9) Then you can close the closet door and return the card to Customer Services located on the Second Floor of Swirbul Library.
